CAREER OBJECTIVE

Creating solutions via web and systems (software). I am a Web & System Developer with years of experience. Experienced with most stages of the development cycle for dynamic web & system projects for various clients and users.

EXPERIENCE

SYSTEM DEVELOPER, Kilimani., Nairobi

Attain-Es, May 2022-Present

- Analyzed user needs and software requirements to determine feasibility of design within time and cost constraints.
- Write modern, performant, maintainable codes for a diverse array of client and internal projects.
- Work with different languages, platforms, frameworks, and content management systems such as VS, AL, CA/L, NAV, SQL Server and Business Central.

WEBSITE DEVELOPER, Victoria Island, Lagos

AntennaMedia, January 2022-June 2022

- Collaborated with a small team of designers to spearhead a new brand and design system for Antenamedia.
- Created a web app using scripting or authoring languages, management tools, content creation tools, applications, and digital media

FRONT END DEVELOPER TUTOR, Yaba, Lagos

DM Academy, September 2021-December 2021

- Administer all facilities and opportunities for students and provide appropriate coaching and guidance on Front End Development.
- Interfaced with user interface designers and other developers to ensure thoughtful and coherent learning process for the students.

WEB DEVELOPER, Surulere, Lagos

Radiosharker Ltd, April 2021-September 2021

- Developed secure and reliable web-based solutions to meet customer requirements.
- Worked with a team of two designers to build a marketing website and e-commerce platform for Radiosharke.
- Helped solidify a brand direction for Radiosharke that spans both packaging and web, providing technological expertise.

UNDERGRADUATE INTERN - AUDIT AND ASSURANCE, Victoria Island, Lagos

Pricewaterhouse Coopers (Pwc), April 2019-February 2020

- Provided administrative services for associates, managers and partners of the unit.
- Helped in preparing Tax invoices and Memo bills for different clients.
- Assisted the audit engagement teams from planning phase to completion phase and preparation of financial report and sign off of audit option by audit partner.

NETWORKING INTERN, Akoka, Lagos

CITM, FCE AKOKA, February 2018-July 2018

- Used standard diagnostic testing equipment and procedures.
- Identified causes of networking problems, using diagnostic testing software and equipment.
